

Director - Bruce Cahoon

Bruce Cahoon was born and raised in Newport after being the first set of twins born on Christmas Day at the Royal Woman's Hospital. Bruce attended Newport Primary School, then Williamstown Technical School to be one of the first pupils to attend the school, (so called Pioneers). Bruce has lived locally for the past thirty-five years and currently is enjoying living at Sanctuary Lakes where he can indulge in his passion for golf.

Bruce worked for B.A.S.E Australia at the Altona Plant for 25 years and he has many fond memories of his time there "they were a great company to work for". Receiving a 20year service increment before leaving B.A.S.E Australia resulted in a trip around the world.

Along with his eldest son Bruce has operated Double 'C' Jeanery in Laverton for the past 20 years and has recently started his own company *Sanctuary Corporate Wear*.

He has always been involved in local issues being a member of the Laverton Traders Association. Along with other local people he helped to start our Bendigo Community Bank® in Laverton.

Golf is Bruce's main sporting interest, which has him involved in two clubs - Sanctuary Lakes and Hepburn Springs. He has also been a keen supporter for many years of the Essendon Football Club.
